

# Owner has hat trick

F. Glaser (South-West) won his third race in succession when he finished in front from Stirling North on Saturday.

L. Thamm and son (Riverside) already have two first and one second to their credit, and R. Huff and son (Glynde) have won both races held by the club.

Reports to hand indicate an excellent return from the Combine's and Union's Stirling North events, but a patchy return eventuated in the association's Keith races where 7,500 birds were released at 10.45 a.m. on Saturday.

## HOLIDAY RACE

The S.A.P. Union will hold a special race next Monday from Pinnaroo. The event is a five-bird limit at 50c per bird.

After expenses are deducted, the balance will be split into equal prizes at \$10 each.

## CLUB NEWS

Clare juniors Michael Durkay and Sharon Lane finished first and second respectively in the first Callington race.

Michael, in his third season, is 14 years old, and Sharon, daughter of club president Jim Lane, is eight.

The pigeon partnership, Wilson and Hicks, of several years duration is now a matrimonial one.

Tom and Doreen were married recently, and all owners will be pleased to extend their congratulations.
