Scoops Pool In Pigeon Derby

T. Langsford, Oaklands, finished first, second, third, fourth, sixth and eighth in the SAP Union's Marree derby on Saturday.

Tailwinds pushed the winner home at 77 m.p.h.

Released half an hour after the Union's birds, the PAA winner for L. Thamm came home at a faster rate to clock over 84 m.p.h.

The race was so fast that several owners were caught napping and found birds waiting in their lofts.

The Association's Dimboola events were flown at a much slower speed when leading birds took about 5¾ hours to cover 220 miles.
