2. The Treasurer submitted correspondence from the auditor in relation to the preparation of the 2021 Financial Statements and the application of general accounting principles to the expensing of equipment purchased by the Association.

The Committee resolved to apply the general accounting principles which allow for new assets and equipment to be fully expensed in accordance with common accounting and tax practices rather than capitalising all purchases in accordance with the formal Accounting Standards. The Committee will decide on a purchase-by-purchase basis whether full expense or capitalisation is appropriate and will be able to provide details of equipment and assets purchased if requested by the members. The Committee resolved to apply these practices from the year ended 31 December 2021 onwards.

3. Thank you to David Walker for his help on creating a 2022 budget.
