

BENZING LIVE

Rule Procedure:

The SAHPA has given approval for SAHPA members using Benzing Electronic Timing Systems to utilise the Benzing Live functionality in all pigeon races operating in the SAHPA race program {i.e. applies to all club, SAHPA and SAHPA LDC races}. It is expected that over time other suppliers of ETS systems will offer functionality similar to Benzing Live. In each case prior approval will be required from SAHPA for using those new functions before they can be used in SAHPA endorsed racing. Application will need to be made to the General Secretary SAHPA. The following procedure has been developed based on Benzing Live and it may need minor modification for a solution different ETS supplier but the principle should survive. Members wishing to use Benzing Live are to advise the SAHPA General Secretary before commencing official use. The Benzing Live system will need to send 3 email results. Results need to be sent to the flyers email address, the secretary of the members club, and the SAHPA clock chairman. Email address for clock chairman is Gavin@teamharris.com.au. Members intending to utilise Benzing Live will need to arrange with their club secretary for the club secretary email capability to be available. Any associated cost is a matter between the member and the club. The club secretary is responsible for ensuring that the information contained in the email is keyed into the SAHPA results system. Under no circumstances should the member enter his own ETS email results into the SAHPA results system. The club secretary is responsible to ensure that the Club received email is retained together with the flyers basketting list generated from the Benzing Club system. The club email and the flyers nomination list will be required by the SAHPA race secretary in instances where cross checking of results is required. Members are reminded that velocity calculated by Benzing Live are not relevant to the SAHPA. The SAHPA result system is the only accepted velocity calculator and is the source of all official results. Anthony Perkins. Secretary/ Treasurer, SAHPA Inc.
