6/10/2012	Border Village (SALDC)	962	Week 20	SALDC

SAHPA Management Committee considerations :

1. Redhill Race has been introduced as a fund raiser so we can make a large donation to the Angel Flight to promote the sport. It is not intended as an official club race but more of a training and promotional event with an overall prize.
2. We have removed the double header weekend race as members had provided feedback that it was impacting family finances and activities on that weekend.
3. We now have 10 club races, 4 x SAHPA Middle Distance, 2 x SAHPA 10 bird specials Middle Distance and 6 x SAHPA Long Distance races.
4. Have used traditional West line race points
5. SALDC will transport Border Village birds on same convoy as Nullarbor and be released later.
