Race & Stock Birds

Sunday 2nd September 2007
SAHPA Headquarters 10:30 am
Birds on view 9:30 am
Auctioneer – Mr Ray Fewings

Birds in this sale are from the bloodlines John Pryor, Grant Paterson, Roy Dangerfield and Charlie Forbes.

In this sale there are five pigeons that I bought out of the **John Pryor** sale as well as their direct offspring.

There are pigeons that I purchased from **Grant Paterson** and **Wayne Pepper**. Their offspring have been very consistent, winning two club firsts and other club placings.

The pigeons purchased from **Charlie Forbes** have produced two SAHPA places.

Also included are birds off **Roy Dangerfield's** champion hen.

There are pigeons from **Ponderosa**, and also pigeons that I bought out of **Keith Saggars'** sale in 2006.

Last year was the first year I raced the entire season, finishing 5th in the very strong North Suburban club and 33rd in the SAHPA.

Good luck with all purchases
