

Brian & Fae King Winners Lyndhurst Open

Brian King holding SA04 14987

Fae King

Mike...What was the breeding of the winner?

Brian... **The Dam came from Judy Billing which was all Pryor, the Sire was all Busschaert from Lindsay Smith.**

Mike...How many races did the bird have leading up to its win?

Brian...**Every north race that was on the program i.e. every 2 weeks.**

Mike...Did you race the bird again after its win?

Brian...**No not at all**

Mike...How much loft flying do you like your birds to do each day?

Brian...**Once a day usually about 2 to 3 hours each time.**

Mike...How much road training do you do?

Brian...**We usually do about 7 or 8 tosses on our own, and then we toss with Lindsay Smith, usually on a Monday from just the other side of Whitwarta**

Mike...Do you follow any particular feeding pattern?

Brian...**We mainly feed just Peas and Wheat with a little small seed, usually it's about half Wheat to half Peas, we watch to see what they are mainly interested in and increase that a little.**

Mike...Do you vary your feed during the season?

Brian...**We add a little Corn as the races get longer**

Mike...What medication do you use and how often?

Brian...**We vaccinate before racing and that's it.**

Mike...What changes would you like to see in our sport?

Brian...**We would like to see more flyers in the sport. Years ago the children of families stayed home and were more involved with what their parents were doing, but these days with easy access to cars the kids are off and doing other things.**
