

Peter Blaser - Little Topar Open Winner - 00024 SA08 BCPH 176 Owners - 2820 Birds

Peter Blaser manages to feature regularly in the winners circle with seven SAHPA wins including the Moulamein Open (three times), Moulamein SAD, Hay 3BS, and Little Topar (now twice). He has also won the Wilcannia CBS. This is an enviable record of pigeon racing in Strathalbyn (a country location) over the last 10 years.

This year SA08 00024 BCPH won for Peter his second Little Topar Open race against 176 owners and 2820 birds. Peter recalls 4 pigeons racing towards his loft and all landed. SA08 00024 BCPH was the only Blaser bird and she decided to fly again when the

three strays took to the air. SA08 00024 BCPH re-landed and was able to be clocked giving Peter his 5th SAHPA win in seven years - a great result.

SA08 00024 BCPH is a first cousin to 1st SAHPA Moulamein open 2006. She is bred from a Jurion cock (bred down from Doug Searle birds) and a K Sagers Jurion purchased at a K Sagers sale. Peter finds that on races between 1000m/m and 1300m/m these birds race very well and consistently.
