

Wayne Griffith - Marla Open Winner - SA07 20099 BCH - Bird of the Year - SA06 19149 BCH

Wayne has had an excellent year in 2008 winning Marla with SA07 20099 and Bird of the Year with SA 06 19149. His loft is now based around imported birds (Lucifer and Silver Shadow van Loons), however he has introduced some Dangerfield bloodlines (purchased by his step son) with some success - particularly into the Silver Shadow lines.

Wayne's original purchase of imported bloodlines was from John Hofman's Ponderosa Stud. This was RP96 61112 Blue Bar Cock, and many SAHPA winners and placings have resulted from this cock line through 7 generations to 2008.

Wayne's results in 2008 are impressive - Marla (1st, 2nd, 3rd, 5th and 15th), Glendambo YBC (7th, 15th, 16th and 17th), Glendambo Open (4th, 5th, 6th and 9th), Emmdale (15th) and 6th Aggregate points.

His bird of the year (SA06 19149 BCH) was a most consistent racer - always with the leading pigeons into his loft, and if he didn't have electronic trapping, she could have been 1st Marla!

The pedigree for SA07 20099 (the Marla winner) is interesting for the number of unflown birds used in the breeding programme. Only the sire SA03 32710 raced.

Pedigree of SA07 20099 BCH

SA03 32710 BCC Consistent race cock on N/NW line in 2004 Full brother bred 2 nd SAHPA Marla, 4 th & 6 th Glendambo 10BS in 2008	RP96 61112 BBC Wayne's van Loon Purchase from Ponderosa	Imported Ponderosa Van Loon cock
