

## John Kokolakis - Nyngan Open Winner - SA06 10085 BCH

John has been a winner of big races during his 15 years of racing and is now aiming for consistency, regularity and excellence in his breeding and racing. He is immensely proud of the capabilities of the birds he has bred. He did not start racing until the fifth race in 2008 because of health concerns, but managed to get enough fitness and motivation into the birds to win his club and group points and gain 17<sup>th</sup> Aggregate points in 2008. He gave a lot of short tosses between 5 and 20 kms before using the SAHPA unit and providing additional tosses with Bob Chalmers if he decided the birds needed the work. The extra tossing was to Virginia/Two Wells or Moana.

He was especially pleased with his birds from Wilcannia (3<sup>rd</sup> and 4<sup>th</sup>), Cobar (2<sup>nd</sup> and 3<sup>rd</sup>), and Nyngan (1<sup>st</sup>, 13<sup>th</sup>, 35<sup>th</sup>, 53<sup>rd</sup> and 58<sup>th</sup>).

John has homed eight of his twenty four from Nyngan to the end of October 2008. SA06 10085 BCH flew Keith, Warracknabeal SAD, Moulamein and Holbrook (5<sup>th</sup> group) in 2007 and Olary, Little Topar, Emmdale and Nyngan (1<sup>st</sup> SAHPA) in 2008. She returned in excellent condition from Nyngan and John thinks she could have easily flown another 200kms on the day. He recalls that at basketing that he reckoned (to himself) that this hen would take some beating. Her condition was superb, and the birds had been training around the loft like stars for the previous three to four weeks.
