The outstanding flyer in season 2009 at the Glenelg Homing Club was Robbie Keszler with six club wins. Congratulations to Robbie for winning the aggregate points and finishing top 20 in the SAHPA. Congratulations also to returning flyer John Crummey who (while only competing with young birds) had a good season with two club wins from Yunta and Little Topar and to those flyers who managed to home birds in the more difficult long distance races this year including:

Alice Springs - G&H Goodrich 6th SAHPA, T. Buxton 13th SAHPA, W&K Moyle 19th and 25th SAHPA, Marla - W&K Moyle 29th SAHPA

Nyngan - S. Hodgson 14th SAHPA

The Glenelg Club also competed at the Royal Adelaide Show this year entering 50 pigeons as a club and was successful in receiving the Reserve Champion Flying Homer Award along with multiple place cards in the various colours available. It would be great to see other clubs or individuals supporting the Royal in this way which is not only enjoyable but rewarding at a club level. Congratulations to all Association winners for 2009 and good luck to all flyers wherever you may be in 2010.
