

WEST TORRENS INVITATION HOMING PIGEON CLUB

West Torrens had an interesting season, recording some excellent results in the latter part of the year. Peter Burke was the stand out performer with a total of 82 points, a clear winner from J & N Kokolakis on 65, followed by Monk & Goodacre on 62. It was also pleasing to see four of our club members in the top 30 flyers in the SAHPA and to see the club perform well in yet another season. Congratulations go to Peter Brumfield for breeding the winner of the Adelaide Ten Thousand. All members greatly appreciated his generous donation to the club following his win. Thanks Peter. I also take this opportunity to thank all office holders for their tireless efforts throughout a season which presented them with various problems which have been overcome.
