Bred for stock, being the result of a half-brother/three-quarter sister mating to the great racing and stock hen Pandora (Van Loon from G Hamilton). The key "Pandora free" birds in the pedigree, Footsteps (Dangerfield, lot 35 Barry Ward sale) and Mr G (lot 49 in both Grenville Evans and Barry Ward sales) were both very successful producers in Melbourne and Warrnambool and cross well with the Pandora birds. Mr G's Sire was a son of Ref I of G Evans sale, which is a full brother to Blue Moon, 1st VHA Bourke. Mr G's Dam was Ref Q G Evans sale, 4th VHA Barrigun 600 miles.
